DALEWOOD SHORES LAKES

Dalewood Shore Lakes Subdivision is a unique privately owned oasis located in the east central part of Mississippi, 16 miles north of Meridian. The subdivision is privately owned by its members and consist of the main lake, which is 1,800 +/- acres, and 10 smaller lakes, ranging from 2-75 acres in size. The main lake, at it's widest point, is 3 miles in length and 50'-60' deep at the deepest point. The lake has a reputation for excellent fishing, boating, swimming, and skiing.

We have listed a wide array of lots; waterfront on main and smaller lakes, lots with water views, back lots, and even a private island. The majority of the water front lots are located in a development known as "Tiki Isles". Tikki Isles was developed by creating a canal so that each lot has access to the main lake.

The subdivision is gated with full time security, so you will have peace of mind and know that your lake house is always protected from anyone that is not a member of the association. There are also future opportunities for development with commercial buildings, locations for condos, and even a possible golf course.

The time is now to enjoy life a little and relax on the water. *If you have any questions or if you would like to schedule a private showing call us at 601-568-1568.*

Small Lake View & Back Lots

84 Available Lots

Ranging from: \$3,500 to \$30,000

Some of these lots are buildable and some are referred to as “membership” lots. Since you must own a lot to access the lake, you can buy a less expensive lot and have full access to the lake.
